

About the Northland Area Business Association

NABA is a nonprofit corporation founded in 1999 to promote growth and prosperity in the Greater Northland area. The association has grown to over 200 members proclaiming its "Shop Northland First" message. Following its participation in a successful campaign to organize the Morse Road Special Improvement District, NABA has formed the St. Rt. 161 Task Force to address beautification and security issues in that area. Visit www.shopnorthland.com for further information and a directory of our members.

Our 2009 Community Partner

A portion of the net proceeds from the 2009 golf tournament will be donated to an outstanding Northland area not-for-profit. This year NABA selected Heritage Day Health Centers for its 2009 Community Partner.

About Heritage Day Health Centers

Heritage Day Health Centers is the largest non-profit provider of adult day services in Ohio, providing services to over 200 frail elderly and disabled individuals and their caregivers each day. Comprehensive adult day services are available seven days a week to adults with cognitive and physical impairments, regardless of their ability to pay. Adult day services enable Heritage clients to maintain their independence, while providing relief and comfort to their caregivers. Adult day services are designed not only to maintain a client's physical health, but to add new dimensions to their lives by helping them rediscover avenues of social, creative and recreational enjoyment.

We are proud to be a part of the Northland community. Please visit our state-of-the-art center at:
1700 East Dublin-Granville Road, Columbus, OH 43229.

Thank You 2008 NABA Golf Tournament Sponsors!
